

MONDAY 29 SEPT									
Departure from hotels									
Registration (7:00 – 17:00)									
VENUE	Madikwe Room	Addo Room	Hluhluwe Room	Kruger Room	Pilanesberg Room	Mapunbugwe Room	Various	Various	D'Njala
8:30	Workshops Getting Started with MapServer WS-M-1	Workshops Setting up a geospatial catalog using GeoNetwork Opensource and GeoServer WS-M-2	Workshops Collaborative Mapmaking with GeoDjango WS-M-3	Workshops FOSS4G routing with pgRouting tools and OpenStreetMap road data WS-M-4	Workshops Standardized Geoprocessing with 52North Open Source Software WS-M-5	Workshops Introduction to Geoportal Management using Mapbender WS-M-6	Technical Visit Image Acquisition and Field Surveying, Trignet - permanent GPS base stations, Data Extraction and Manipulation, Geospatial Data Management and Cartographic Production TV-M-1	Outreach Activity Google Earth for Educators	Registration
10:00	Refreshment break								
10:30	Workshops Getting Started with MapServer WS-M-1	Workshops Setting up a geospatial catalog using GeoNetwork opensource and GeoServer WS-M-2	Workshops Collaborative Mapmaking with GeoDjango WS-M-3	Workshops FOSS4G routing with pgRouting tools and OpenStreetMap road data WS-M-4	Workshops Standardized Geoprocessing with 52North Open Source Software WS-M-5	Workshops Introduction to Geoportal Management using Mapbender WS-M-6	Technical Visit Image Acquisition and Field Surveying, Trignet - permanent GPS base stations, Data Extraction and Manipulation, Geospatial Data Management and Cartographic Production TV-M-1	Outreach Activity Google Earth for Educators	Registration
12:00	Lunch								
13:30	Opening Plenary Hluhluwe Room								
15:00	Refreshment break								
15:30	Opening Plenary Hluhluwe Room								
17:00	Icebreaker cocktail event								

TUESDAY 30 SEPT							
Departure from hotels							
Exhibits & Registration (7:00 – 17:00)							
VENUE	Langjan Room	Marakele Room	Golden Gate Room	Kgalagadi Room	Makuya Room	Madikwe Room	Addo Room
8:30	Academic Presentations (1 - 2.6a)	Academic Presentations (1 - 2.6b)	General Presentations (1 - 2.4a)	General Presentations (1 - 2.4b)	General Presentations (1 - 1.6)	Labs (1 - RT)	Labs (1 - 1.4)
	FOSS GIS tools & components	Land classification & climate change	Disaster Management	Improving FOSS GIS cartography and map production	Interoperability	Practical introduction to Spatial Data Integrator powered by Talend	tba
10:00	Refreshment break						
10:30	Academic Presentations (2 - 2.6a)	Working Session (2 - 2.6b)	General Presentations (2 - 2.4a)	General Presentations (2 - 2.4b)	General Presentations (2 - 1.6)	Labs (2 - RT)	Labs (2 - 1.4)
	Standards & Interoperability	FOSS GIS in Government (SITA Workshop)	Case Studies	Environment	Transition to FOSS	Working with GeoServer	Practical introduction to the MapFish web-mapping framework
12:00	Lunch						
13:30	Academic Presentations (3 - 2.6a)	Academic Presentations (3 - 2.6b)	General Presentations (3 - 2.4a)	General Presentations (3 - 2.4b)	General Presentations (3 - 1.6)	Labs (3 - RT)	Labs (3 - 1.4)
	Software engineering & GIS production	Water resource management	New FOSS Developments	Government & Participatory GIS	FOSS GIS Business	Introduction to the 52°North Web Processing Service	MapWindow GIS Lab - Introduction to Custom GIS Application Development for Windows
15:00	Refreshment break						
15:30	Academic Presentations (4 - 2.6a)	General Presentations (4 - 2.6b)	General Presentations (4 - 2.4a)	General Presentations (4 - 2.4b)	General Presentations (4 - 1.6)	Labs (4 - RT)	Labs (4 - 1.4)
	Disaster management	Water	Education	Remote Sensing	Web Services	Practical Introduction into 52°North's Sensor Observation Service	Generating end-to-end web mapping applications with geGIS
17:00							
17:30	Birds of a Feather Sessions, Other Meetings						

WEDNESDAY 1 OCT							
Departure from hotels							
Exhibits & Registration (7:30 – 17:00)							
VENUE	Langjan Room	Marakele Room	Golden Gate Room	Kgalagadi Room	Makuya Room	Madikwe Room	Addo Room
8:30	Academic Presentations (5 - 2.6a)	Academic Presentations (5 - 2.6b)	General Presentations (5 - 2.4a)	General Presentations (5 - 2.4b)	General Presentations (5 - 1.6)	Labs (5 - RT)	Labs (5 - 1.4)
	Spatial data	Models, simulations and risk assessment	FOSS Implementation	Open data	New FOSS Developments	Creating MapGuide Maps with Style	Practical Introduction to OrbisGIS
10:00	Refreshment break						
10:30	Academic Presentations (6 - 2.6a)	Academic Presentations (6 - 2.6b)	General Presentations (6 - 2.4a)	General Presentations (6 - 2.4b)	General Presentations (6 - 1.6)	Labs (6 - RT)	Labs (6 - 1.4)
	Collaborative GIS	Environmental monitoring & wireless networking	Transition to FOSS	Water & Education	Case Studies	Raster Processing and Preparation with GDAL	Configuration of deegree Web Services with an OpenJUMP based ConfigurationTool
12:00	Lunch and Poster Session (Poster Session from 12:30 to 13:30)						
13:30	General Presentations (7 - 2.6a)	General Presentations (7 - 2.6b)	General Presentations (7 - 2.4a)	General Presentations (7 - 2.4b)	General Presentations (7 - 1.6)	Labs (7 - RT)	Labs (7 - 1.4)
	Participatory GIS	New FOSS Developments	Government	Health	Web & Environment	Extending the functionality of QGIS with Python plugins	Practical Introduction to Fusion
15:00	Refreshment break						
15:30	Working Session (8 - 2.6a)	Working Session (8 - 2.6a)	Working Session (8 - 2.4a)	Working Session (8 - 2.4b)	Working Session (8 - 1.6)	Labs (8 - RT)	Labs (8 - 1.4)
	Birds of a Feather Sessions, Other Meetings	Birds of a Feather Sessions, Other Meetings	NSIF Spatial Metadata Discovery	Birds of a Feather Sessions, Other Meetings	Birds of a Feather Sessions, Other Meetings	A Practical Introduction to BirdEye: a GeoVisualization ToolKit	Integration of access controlled OGC web services in identity federation systems based on 52?North Security Solutions and OpenSSO
17:00							
18:00	Banquet at Moyo in Stellenbosch (Buses leave CTICC 18h00 / 6pm sharp!)						

THURSDAY 2 OCT							
Departure from hotels							
Exhibits & Registration (8:00 – 17:00)							
VENUE	Langjan Room	Marakele	Golden Gate Room	Kgalagadi Room	Makuya Room	Madikwe Room	Addo Room
8:30	Academic Presentations (8 - 2.6a)	Academic Presentations (8 - 2.6b)	General Presentations (8 - 2.4a)	General Presentations (8 - 2.4b)	General Presentations (8 - 1.6)	Labs (9 - RT)	Labs (9 - 1.4)
	Health, nature conservation & biodiversity	SDI	Transition to FOSS	Web Services	Interoperability	Using and extending ILWIS open source GIS software together with GEONETCast services for web-based satellite image analysis	Mapping of Information, a must for Development
10:00	Refreshment break						
10:30	Academic Presentations (9 - 2.6a)	Academic Presentations (9 - 2.6b)	General Presentations (9 - 2.4a)	General Presentations (9 - 2.4b)	General Presentations (9 - 1.6)	Labs (10 - RT)	Labs (10 - 1.4)
	Education & Training, FOSS in corporates and government	Web services	Government	Case Studies	New FOSS Developments	There and back again. Using uDig to perform real-world tasks	Supporting sustainable development: the GRASS opportunity.
12:00	Lunch						
13:30	Closing Plenary Hluluwe Room						
15:00	Refreshment break						
15:30	Closing Plenary Hluluwe Room						
17:00							
17:30	Birds of a Feather Sessions, Other Meetings						

FRIDAY 3 OCT									SATURDAY
<i>Departure from hotels</i>									
<i>Registration (8:00 – 14:00)</i>									
VENUE	Madikwe Room	Addo Room	Kruger Room	Pilanesberg Room	Mapunbugwe Room	Various	Various	Various	Cape Town City Council offices
8:30	Workshops OpenLayers - Building Web Mapping Applications with a Solid Foundation WS-F-1	Workshops Practical Introduction to MapGuide Open Source WS-F-2	Workshops MapWindow GIS Workshop - Introduction to Custom GIS Application Dev. for Windows WS-F-10	Workshops Mapserver OGC Web Services Workshop WS-F-4	Workshops Web based GIS and domain model integration WS-F-5	Technical Visit Houwteq Satellite Integration Facility in Grabouw - Key site in South African Space Program TV-F-1	Outreach Activity Mapping and GIS Options	Outreach Activity Outdoor event to learn about GPS in the Rondevlei Nature Reserve	Code sprint
10:00	Refreshment break								
10:30	Workshops OpenLayers - Building Web Mapping Applications with a Solid Foundation WS-F-1	Workshops Practical Introduction to MapGuide Open Source WS-F-2	Workshops MapWindow GIS Workshop - Introduction to Custom GIS Application Dev. for Windows WS-F-10	Workshops Mapserver OGC Web Services Workshop WS-F-4	Workshops Web based GIS and domain model integration WS-F-5	Technical Visit Houwteq Satellite Integration Facility in Grabouw - Key site in South African Space Program TV-F-1	Outreach Activity Mapping and GIS Options	Outreach Activity Outdoor event to learn about GPS in the Rondevlei Nature Reserve	Code sprint
12:00	Lunch								
13:30	Workshops Practical Introduction to GRASS and related software for beginners WS-F-6	Workshops The Open-Geo Stack: OpenLayers, GeoServer, PostGIS WS-F-7	Workshops Introduction to gvSIG/SEXTANTE as desktop GIS with advanced spatial analysis and SDI publishing tools WS-F-8	Workshops Hydrological and Geomorphological Terrain Analysis with JGrass WS-F-9		Technical Visit Wine Estate GIS - How GIS is used in the wine industry. On a lovely Cape wine estate... TV-F-2	Outreach Activity Independent Schools of South Africa, Geography Teachers Conference	Outreach Activity Workshop for University of Cape Town students and staff	Code sprint
15:00	Refreshment break								
15:30	Workshops Practical Introduction to GRASS and related software for beginners WS-F-6	Workshops The Open-Geo Stack: OpenLayers, GeoServer, PostGIS WS-F-7	Workshops Introduction to gvSIG/SEXTANTE as desktop GIS with advanced spatial analysis and SDI publishing tools WS-F-8	Workshops Hydrological and Geomorphological Terrain Analysis with JGrass WS-F-9		Technical Visit Wine Estate GIS - How GIS is used in the wine industry. On a lovely Cape wine estate... TV-F-2	Outreach Activity Independent Schools of South Africa, Geography Teachers Conference	Outreach Activity Workshop for University of Cape Town students and staff	Code sprint
